

SOMEWHERE THIS YEAR A SUPERINTENDENT PLANTED THE ONE MILLIONTH POUND OF CYPRESS POA TRIVIALIS!

That's right, in an unprecedented time span of only 4 years, certified Cypress Poa trivialis has taken the market by storm. Superintendents from Las Vegas, Palm Springs, Phoenix and across the sunbelt states are using certified Cypress in record numbers.

University tested for years at such prestigious turf trials as the University of Florida, the University of Arizona and Mississippi State University. Certified Cypress keeps coming up first in establishment, color, putting speed and quality. When mixed with

creeping bentgrass or perennial ryegrass, exceptional greens and fairways are the result. What more could you ask for?

For excellent transitional qualities, specify Certified Cypress.
